Letter of recommendation

To whom it may concern,

We are delighted to provide this letter of recommendation for the outstanding work carried out by LTV Project during the LED lighting upgrade project at Origin Frames Ltd in High Wycombe. The successful completion of this project has significantly improved our workplace environment and energy efficiency.

The work order was carried out professionally and we were absolutely satisfied with the final result.

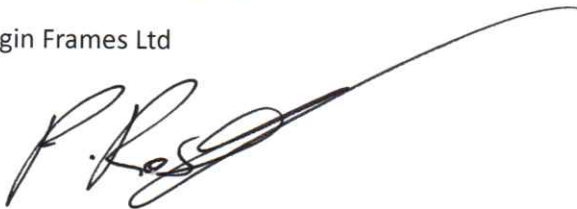

Based on our experience working with LTV Project, we recommend their services to any organization seeking a reliable, efficient, and environmentally conscious partner for lighting and energy-related projects. Their team's dedication, technical proficiency, and commitment to delivering exceptional results make them an outstanding choice.

Sincerely,

Paul Rosner

Operational Risk Manager
